New Drive-Thru Safari Park Opens at Wild Florida

Buckle up for your wildest car ride yet at Wild Florida's All New Drive-Thru Safari Park! Travel down gravel paths and discover more than 100 native and exotic animals roaming freely. During your journey, you'll have the opportunity to observe a variety of animals often only found on different continents. Enjoy identifying species from as far away as the African savanna to others from the deciduous forests of North America, all from the comfort of your own car or truck.

Expanding across 85 acres of untouched scenic landscapes, our safari park presents a unique opportunity to bring you up close and personal with wild animals such as giraffes, zebra, eland antelope, wildebeest, scimitar oryx, bison, mouflon sheep, and more! As you travel down our two-mile "unbeaten path," your family can enjoy an exploration just feet away from animals normally only seen on TV. But the fun you'll have isn't confined to your car. Inside our drive-through safari park, you can meet, greet and feed giraffes on our elevated giraffe feeding platform. (Talk about the perfect Facebook profile picture!)

Osceola History Hosts Second Annual Antiques and Appraisal Fair

May 16 at Osceola County Welcome Center & History Museum

Do you have treasures buried in your attic? Have you ever wondered how much that watch from your great-grandmother is worth?

Gather your family heirlooms and bring them to Osceola History's second annual Antiques and Appraisal Fair on May 16, 2020, from 10 a.m. to 3 p.m. at the Osceola County Welcome Center and History Museum. The event will also feature an "Attic Treasures and Tasty Treats" market. The Welcome Center and History Museum is located at 4155 W. Vine Street in Kissimmee.

"We are expanding our appraisal fair this year and look forward to seeing all the unique items people bring to be appraised," said Executive Director Kimberly Murray. "We invite visitors to also take time to shop with the market vendors and to tour the History Museum." Professional antiques dealers will be available to give verbal appraisals. These appraisals are meant to give a general idea of the worth of an item and are not intended for insurance or resale purposes. In conjunction with the "Tools of the Trade" exhibit in the museum, the appraisal fair will include an appraiser who specializes in old tools.

Proceeds from the event benefit Osceola History's continued efforts to collect and preserve the county's history and to provide educational and recreational activities that highlight the area's cultural and natural heritage. An Osceola History staff member will be available at the appraisal fair to discuss possible donations of items to the museum's collection.

Ticket Information

Admission to the museum and the market is free. Appraisal fair tickets are \$10 for one appraised item, \$15 for two items, or \$20 for three items, and are available at www.osceolahistory.org (click on events calendar). Tickets are also available at the Osceola County Welcome Center and History Museum.

About Osceola History

Osceola History is a non-profit organization formed in 1949 with the mission to collect and preserve Osceola County's history. Osceola History provides educational, research, and recreational opportunities to foster an understanding and enjoyment of the area's cultural and natural heritage through museum displays, demonstrations, interpretive programs and special events for residents and visitors.

Experience Adventure on the High Seas from the Comfort of Your Table at Pirate's Dinner Show

When you set sail with the crew at Pirates Dinner Adventure, you have front-row seats to an epic, swashbuckling adventure that unfolds before your very eyes! Watch the evil pirate Captain Sebastian the Black as he leads his crew of renegades against our heroes, Benjamin Blue and the beautiful Princess Anita.

Set aboard an 18th-century Spanish galleon with 40-foot masts, the show features action, romance, music, and breathtaking aerial stunts. Anchored in a 300,000-gallon indoor lagoon, the ship has been authentically replicated, with night sky lighting. Keep your eyes peeled, though. You never know when a mermaid or the Leviathan hidden in the deep might appear!

But no show is complete without an audience, and at Pirates Dinner Adventure, our audience plays a special role in each performance. Every night, children, adults, and pirates of all ages have a chance to come on stage and take part in the action. Everyone is invited to cheer and sing along as our pirates fight and swoop through the air, accompanied by cannon blasts, pyrotechnics, and plenty of laughs. It's the world's largest interactive dinner show!

Star Wars Adventures Come to Life in Two New Thrilling Attractions at Disney's Hollywood Studios

For more than four decades, *Star Wars* fans have imagined what it would be like to blast across the stars inside the Millennium Falcon or race through the halls of a Star Destroyer. **Star Wars: Galaxy's Edge** will feature two signature attractions that turn those dreams into reality.

Upon their arrival, guests are transported to the remote planet of Batuu, full of unique sights, sounds, smells and tastes. Guests can become part

of the story as they sample galactic food and beverages, explore an intriguing collection of merchant shops and take the controls of the most famous ship in the galaxy aboard **Millennium Falcon: Smugglers Run**.

Opened last summer at Walt Disney World Resort, **Millennium Falcon: Smugglers Run** takes guests into the cockpit of "the fastest hunk of junk in the galaxy." They take the controls of the Falcon in one of three unique and critical roles as the ship hurtles through space. Some will be pilots, some gunners and some flight engineers, creating multiple ways for guests to experience the attraction.

Star Wars: Rise of the Resistance made its public debut Dec. 5, 2019, inside **Star Wars: Galaxy's Edge** at Disney's Hollywood Studios in Florida. After years of anticipation for this groundbreaking new attraction, guests will now become heroes of the Resistance in a climactic battle with the First Order.

Star Wars: Rise of the Resistance is one of the most ambitious attractions ever created for a Disney park. The thrilling action takes place in massive sets that give guests the feeling of stepping inside a *Star Wars* film as they elude the clutches of Kylo Ren and the First Order in a mad dash through a Star Destroyer.

The new attraction adds to the adventures that await inside **Star Wars: Galaxy's Edge**, the 14-acre land that opened earlier this year at both Disneyland and Disney's Hollywood Studios. Guests become part of their own *Star Wars* stories as they take control of the fastest ship in the galaxy in **Millennium Falcon: Smugglers Run**, sample galactic food and drink, craft their own lightsabers and build their own droids in interactive retail experiences, and encounter some of their favorite *Star Wars* characters.

Star Wars: Rise of the Resistance is the latest chapter in the collaboration between Walt Disney Imagineering and Lucasfilm Ltd., a global leader in film, television and digital entertainment production, including the *Star Wars* franchise. The

work on *Star Wars* between these two creative powerhouses dates back to 1987, when the groundbreaking *Star Tours* attraction opened at Disneyland.

SeaWorld Launches All New Thrill Ride The Ice Breaker

Making its debut this Spring 2020, riders will shiver through family friendly adventures on SeaWorld Orlando's first launch coaster: Ice Breaker. Named after the icy Arctic summits, Ice Breaker will feature four launches, both backwards and forwards, culminating in a reverse launch into the steepest beyond vertical drop in Florida — a 93-foot tall spike with 100-degree angle.

Located near the Wild Arctic Attraction, the ride's theme is reflective of this area with a nod to Ice Breaker's conservation partner, Alaska SeaLife Center. Primarily dedicated to marine research, education and wildlife response, the Alaska SeaLife Center mission matches closely to SeaWorld Orlando's, making them a perfect partner to help educate riders about the Arctic and its inhabitants.

"The Alaska SeaLife Center is excited to grow our partnership with SeaWorld. For many years, SeaWorld has been a stalwart supporter of the Center, and particularly our Wildlife Response program," said Tara L. Riemer, President and CEO of Alaska SeaLife Center. "We are grateful for SeaWorld's contributions of funding and staff over the years to further our mission. This new collaboration will continue efforts to highlight Arctic rescue and conservation stories."

The opening of Ice Breaker is the perfect addition to SeaWorld's ever-growing ride portfolio. From the roller coaster thrills of Mako, Manta, and Kraken, to the water rapids of Infinity Falls, and the flume fun of Journey to Atlantis, Ice Breaker joins the park's famed attractions as a must-do experience in Orlando.

marine research and education, the nonprofit Center is the only permanent marine mammal rescue and rehabilitation facility in the state. The Alaska SeaLife Center lies at "Mile 0" of the scenic Seward Highway on the shores of Resurrection Bay.

With the addition of Ice Breaker, we're excited to announce a new partnership with the Alaska SeaLife Center, a dedicated research, rescue, rehabilitation, and education facility. We look forward to sharing additional information in the coming months on how this new attraction will help share the mission of this incredible organization.

The Alaska SeaLife Center is the only facility in Alaska that combines a public aquarium with marine research, education, and wildlife response. While primarily dedicated to

TRAVEL SAFETY TIPS

- Do not display large amounts of money. Place small amounts in different pockets, or use credit cards or traveler's checks.
- Make copies of your credit cards front and back, and place them in a secured place with your records (room safe). This can be useful if you need to report a lost or stolen card.
- When you return to your hotel, use the main entrance.
- Be wary of solicitors.
- Use reputable places of business for all your transactions.
- Travel in pairs or in groups when possible.
- Always have a meeting place for your children to meet you if separated.
- Small children should always be lead by the hand near busy streets.
- Small children should have their name and phone number placed on their clothes label, or the inside of a shoe flap.
- Use sidewalks and pedestrian crossings.

Florida uses 10-digit dialing, so remember to dial the area code first, then the number.
